The General Assembly of the FBE

RESOLUTION

“On the 3rd June 2017, the General Assembly of the FBE, which represents 250 member Bars and their 800.000 member lawyers, expressed its grave concerns for the situation of judges and lawyers in Poland, recognizing that there has been an erosion of the independence of judges, prosecutors, lawyers and the administration of justice because of the intervention of the government in the appointment and dismissal of judges, failure to respect the decisions of the Courts and interference in the prosecution service.”
