

ASSOCIATION EUROPEENNE DES AVOCATS
EUROPEAN ASSOCIATION OF LAWYERS

19 December 2022

Dear AEA-EAL Members,
Dear Friends,

We invite you to experience the role of mentor for young lawyers within the joint initiative of AEA-EAL and EYBA (European Young Bars Association).

The Mentoring Program proposes to strengthen communication between generations of senior lawyers and young lawyers, guide young lawyers from different countries in their career path and personal development, and contribute to the implementation of the best standards in the exercise of the profession of a lawyer.

The Mentoring Program is contemplated to be resilient and flexible in adjusting to the availability and needs of the participants. It is envisaged as a process to give both sides positive experiences and benefits, expand professional network, opportunity to improve personal skills and get better self-awareness about possessed expertise.

While senior and young lawyers will be free to set their own goals and activities, organizers recommend that monthly meetings/conversations between mentor and mentee are organized and discuss topics of interest. The general meetings of all mentors and mentees will be held at the launch and the end of the Mentoring Program. The tentative period for organizing the Program is between February – September 2023.

If you are interested, please send the information indicated in the table below by **20 January 2023**.

We encourage many of you to become **a mentor and share your knowledge and experience with others!**

Kind regards,

Vladimir Palamarcuic
Co-ordinator of the Mentoring Project
Member of the AEA-EAL Board

Maria Ślęzak
AEA-EAL President
